SARA SHENGEB | 2017

BSc, Psychological Science & Social Psychology

Sara was the inaugural GRSF scholarship holder and was awarded \$10,000 to cover expenses associated with Sara's final year at UWA.

"The network of support and recognition that came with the scholarship further strengthened my commitment to contributing to our community. After graduation I joined the Commissioner for Children and Young People to work in research and policy. I was identified as an emerging leader by the US Department of State and now work for the Equal Opportunity Commissioner where I continue to work in the human rights space alongside my studies in Master of International Relations and National Security"

JADE HOUSE | 2018

BSc, Medical Science & Pathology & Laboratory Medicine

Jade was awarded \$10,000 a year for two years to cover tuition and living expenses during Jade's second and third years of her undergraduate Medicine degree at UWA .

"The GRSF allowed me to focus on my dream to study medicine and relieved some of the financial pressure associated with studying full-time. I am currently completing my 3rd year of medicine in Bunbury with the rural clinical school which has been an amazing experience."

The Geoff Rasmussen Scholarship Fund's (GRSF) purpose is to assist and encourage a fulltime UWA undergraduate course student. Preference is given to candidates that have been through or are going through significant hardship.

The GRSF was incorporated in 2016, and has since awarded scholarships to four recipients.

MITCHELL SNOW | 2020

BEng, Mechanical Engineering and Physics

Mitchell was awarded \$20,000 over two years which reduced the financial burden of living away from home, allowing Mitchell to focus on pursuing his Engineering degree.

"I am currently entering the final semester of my undergraduate Mechanical Engineering and Physics degree and am excited to see what the future holds. The scholarship has connected me with so many wonderful opportunities and people who I have learnt so much from. The scholarship has also allowed me to be able to focus on my studies and be more involved in the university community"

EMILY BENNETT | 2021

BBiomedSc, Neuroscience and Computer Science

Emily is just beginning her time at UWA, the scholarship of \$20,000 over two years will allow Emily to focus on pursuing her studies and keen interest in AI.

"The scholarship will continue to help me successfully explore my passions and enjoy my university experience without many of the pressures that come with being a student, all the while providing me with the support to flourish in aspects of my life where I had previously been limited"
